Progress Report

Vassil Vassilev, PhD

22.08.2017

Status 02.08-2017 — 21.08.2017

- ❖ The Intel Showcase presentation went well.
- ❖ Attendance of about 7 people from Intel; around 8 in the meeting room and 4 via vidyo.
- ❖ A few technical questions on the slides.
- ❖ My personal feeling was we had a very positive feedback and acceptance.

Thank you!
