IPCC ROOT
Princeton/Intel Parallel Computing Center

Progress Report

Vassil Vassilev, PhD

24.10.2017

Status 03.10.2017—23.10.2017

- ✤ I spent time to tweak our benchmarking infrastructure

- ✤ Oksana and I set up Jenkins jobs building and testing the performance of ROOT every night running on Haswell and KNL

- ✤ We started populating the benchmark repository with the showcase presentation benchmarks

Thank you!
