Progress Report

Vassil Vassilev, PhD

07.08.2018

Status 19.07.2018—06.08.2018

- ❖ Clad

- ❖ Enable by default in ROOT (will be released in fall)
- ❖ Triggered a discussion how we should use it in ROOT's hotspot TFormula
- ❖ We have first user requests (from the RooFit developers)
- ❖ Few issues that need to be addressed (eg, tweaking Windows)

Thank you!
